

# Haunted House

*Read and draw!*

The house is divided into several rooms and a cellar. The rooms and their contents are:

- Dining Room (top left):** A table with a microscope, beakers, and test tubes. A ghost is mentioned here.
- Laboratory (top middle):** A table with a microscope, beakers, and test tubes. A wizard is mentioned here.
- Bathroom (middle left):** A bathtub with a shower head. An octopus is mentioned here.
- Bedroom (middle middle):** A bed. A spider is mentioned here.
- Study (middle right):** A desk with a bookshelf above it. A witch is mentioned here.
- Kitchen (bottom left):** A refrigerator and a stove. A frog is mentioned here.
- Dining Room (bottom middle):** A table with four chairs. A snake is mentioned here.
- Living Room (bottom right):** A blue armchair and a television. A vampire is mentioned here.
- Cellar (bottom):** A skeleton is mentioned here.

Additional elements around the house include a black cat on the roof, a bat flying near the chimney, a spider on the ground, a witch, a frog, and a ghost.

Speech bubbles and their descriptions:

- There's a ghost in the dining room.
- There's a wizard in the laboratory making a magic potion!
- There's a witch in the study reading a book of magic spells!
- There's a black cat walking on the roof of the house.
- There's an octopus in the bath in the bathroom.
- There's a spider under the bed in the bedroom.
- There's a skeleton sleeping in the cellar!
- There's a frog on top of the fridge in the kitchen.
- There's a snake sleeping on the floor in the conservatory.
- There's a vampire watching television in the living room.
